COLORS (Marc Robillard)

It's alright She's in red
In my head
Let me blow your mind she said
Eyes so blue
You're so new
I just gotta get close to you, I said
I say yes
You say no

Just let me show you some more
I won't bite
I wanna make sweet love tonight, I said
Hey hey I'm calling you
Red and green and yellow too
Chocolate cream, orange, navy blue
Yeah
It's all good what color you are, I said
You're so strange
And I don't mind
I like all your weird designs
Paint me red
Toe to head
That's the shade of love she said
Black and blue, purple too
I don't care now what you do
Cause it's your life and it's your ride, and
I know now I'm a fan of you, I said
Hey hey, I'm calling
Red and green and yellow too
Chocolate cream
And navy blue
Yeah
It's all good what color are you
She's in red
Yeah she's in my head, she said, she said
Let me blow your mind she said
Hey hey, I'm calling you
Red and green and yellow too
Chocolate cream
And navy blue
Yeah
It's all good what color are you
