ENGLISH TEST

- According to the text, answer the questions. Use the correct form of the immediate future (be going to) and write complete sentences.

Hi guys! I am Peter. Today I'm going to fly to Manchester to visit my family. I am really excited. I'm going to be there for two weeks.

My friend John and I are going to go to a fantastic Language School there. We are going to take Spanish classes. I am going to get married next year. My girlfriend Carmela is a beautiful Spanish girl, so I want to learn spanish as soon as possible. She can speak a little English, but we can't communicate very well. She isn't going to come with me to Manchester this time, but she's going to come next summer to meet my mum and dad. Well, that's all for now! It's 2:30 and I'm late! I am going to miss the bus to the airport.
